

# FREE Water Test Drop-Off

**Running late for work? Store not open? Kids crying?**

**Don't wait in line for your water test! Simply drop it off in our curbside drop box!**

**Make sure all your contact information is on the bottle. We will e-mail you later that day to let you know the results are ready to be picked up.**

**New customers can fill out the back of this handout so we can enter you into our system and label your bottle with your name and number.**

**\*You must use an approved water test sample bottle. (Colley's can provide you with one.)**
